

DEREK J. MCGREGOR

Derek J. McGregor serves as the alternate public member.

Derek J. McGregor brings 20 years of experience as a community leader. Currently, Mr. McGregor is president of the Trabuco Highlands Community Association (THCA); he has served on the THCA Board of Directors for over twelve years.

Mr. McGregor is also a past president and current member of the Board of Directors of the Santa Margarita Landscape and Recreation Corporation (SAMLARC); one of the largest master homeowners associations in the state. He has been a member of the board for over nine years.

The Community Associations of Rancho (CAR) is the product of Mr. McGregor's passion to have all the master associations in the City of Rancho Santa Margarita work cooperatively to address community wide issues; he serves as the original Chair of CAR.

Mr. McGregor's community involvement extends countywide having served on OCTA's Citizen's Oversight Committee and currently serving on OCTA's Citizen's Advisory Committee.

Mr. McGregor is a licensed civil engineer and land surveyor who has owned and operated DMc Engineering, a Civil Engineering and Land Surveying firm since 1987. His career began after graduating from Southern Illinois University with a Bachelor of Science degree in Engineering.

Mr. McGregor is married to his best friend and strongest supporter, Debbie. Together they have three children: Nicole, Austin, and Kadin. The McGregor's children, each involved in multiple organized youth sports leagues, have intensified Mr. McGregor's involvement in the community; he serves as a coach in multiple sports during the entire year.
