Dear Resident:

LISA BARTLETT
Supervisor
5th District

The Orange County Local Agency Formation Commission (OC LAFCO), in partnership with the County of Orange and City of La Habra, invites you to an informative workshop on the potential annexation of your community to the City of La Habra. Since 2000, OC LAFCO has worked collaboratively with the County and many cities to facilitate more efficient and enhanced public services to county unincorporated islands. The workshop will provide an opportunity for residents to hear about the process and benefits of annexation. Staff representatives from OC LAFCO, the County, and City will be at the workshop to address residents' questions.
