FROM: Executive Officer
Commission Clerk
Legal Counsel

SUBJECT: OC LAFCO Records Retention and Destruction Policy

BACKGROUND

The Cortese-Knox-Hertzberg Local Government Reorganization Act of 2000 ("The Act") requires that each LAFCO adopt written policies and procedures. The agency's policies and procedures are housed in the "Orange County LAFCO Bylaws, Policies and Procedures Handbook." The Handbook is divided into five major sections: (I) Commission Bylaws, (II) Accounting and Financial Policies and Procedures, (III) Personnel Policies and Procedures, (IV) Administrative Policies and Procedures, and (V) Project Processing Policies.

The agency's "Policy for Inspection and Copying of Public Records" and "Records Retention and Destruction Policy" are reviewed annually by staff and counsel to identify necessary amendments due to changes in the law or adjustments in the operating procedures. This year's annual review did not identify any necessary amendments to the public records policy. However, there are recommended administrative changes to the records retention policy. For ease of review, the proposed changes to the policy are provided in redline format in Attachment A and summarized in the *Table 1* on the next page of this report.

Table 1: Summary of Proposed Changes

Attachment	Section	Pages	Summary of Changes
A	Administrative - Records Retention Schedule: Accident/Illness Reports	14	Added language clarifying that accident/illness records are not disclosable to the public.
A	Administrative - Records Retention Schedule: Agenda/ Agenda Packets	16	Added language clarifying the retention of paper copies of agenda packets.
A	Administrative - Records Retention Schedule: Social Media	27	Added retention period for social media platforms involving posts, comments, and subscriber lists to align with agency's adopted social media policy.

1. Adopt the OC LAFCO Records Retention and Destruction Policy, as amended.

Respectfully submitted,

Records Retention and Destruction Policy

I. PURPOSE

The purpose of this policy is to provide guidelines to staff regarding the retention of records of the Orange County Local Agency Formation Commission (LAFCO); provide for the identification, maintenance, and safeguarding of OC LAFCO records and the destruction of obsolete records in the normal course of business; ensure prompt and accurate retrieval of records; and ensure compliance with legal and regulatory requirements.

II. POLICY

It is the policy of this Commission to retain OC LAFCO documents and other records in accordance with the retention schedule established in the attached table. The schedule is in compliance with the minimum retention periods mandated by the California Government Code, the California Code of Civil Procedure, the Code of Federal Regulations, the Secretary of State Local Government Records Management Guidelines, and other legal authorities cited.

III. PROCEDURE

- A. The staff member completes and signs a "Request for Destruction of Obsolete Records" form, listing the date and description of each document to be destroyed. A sample form is attached to this policy as Attachment "A." The staff member submits the form to the Commission Clerk.
- B. The Commission Clerk checks the documents listed on the submitted form to confirm that each document is: (1) not required to be permanently retained, or (2) has been retained for the legally required period of time. The Commission Clerk also confirms that any applicable reproduction requirements (i.e., imaging, etc.) for each document are complete. The Commission Clerk also verifies that the documents are not relevant to a lawsuit, a claim, a subpoena, an investigation, a litigation hold, a Public Records Act request, an audit, or similar proceeding, which is in progress or which can reasonably be anticipated.

- C. The Commission Clerk submits the form to the Executive Officer, who reviews and signs the form and then returns the signed form to the Commission Clerk.
- D. After receiving the signed form from the Executive Officer, the Commission Clerk oversees the destruction of the obsolete documents, indicates the method of destruction on the form, signs the form and returns the original signed form to the Executive Officer.
- E. The Executive Officer will retain all original signed forms, requesting destruction of obsolete records for a minimum period of two (2) years.
- F. The Commission Clerk will permanently retain a master log of all destroyed obsolete documents which includes the titles or brief descriptions of the obsolete documents that were destroyed, the method of destruction and the date of destruction.

 - 3. In addition to the retention periods required under this policy, the Commission shall retain original administrative, legal, fiscal and/or historical records with continued value (i.e., records for long-term transactions and/or special projects) until all matters pertaining to such records are completely resolved or the time for appeals has expired.  - (l) Records less than seven (7) years old that specify the amount of compensation or expense reimbursement paid to Commission employees, officers, or independent contractors
- C. Exceptions to Scheduled Destruction. Destruction of any record shall be postponed if that record is responsive to a subpoena, a litigation hold or other request for preservation, a Public Records Act request, an audit, or a claim filed against OC LAFCO. In addition, records that relate to any active litigation or potential litigation involving OC LAFCO shall be preserved until the litigation

is resolved. OC LAFCO personnel who become aware of a subpoena, claim, Public Records Act request, etc., that affects records under their control shall use their best efforts, by any reasonable means available to them, to preserve those records. Records Retention and Destruction Policy

I. PURPOSE

The purpose of this policy is to provide guidelines to staff regarding the retention of records of the Orange County Local Agency Formation Commission (LAFCO); provide for the identification, maintenance, and safeguarding of OC LAFCO records and the destruction of obsolete records in the normal course of business; ensure prompt and accurate retrieval of records; and ensure compliance with legal and regulatory requirements.

II. POLICY

It is the policy of this Commission to retain OC LAFCO documents and other records in accordance with the retention schedule established in the attached table. The schedule is in compliance with the minimum retention periods mandated by the California Government Code, the California Code of Civil Procedure, the Code of Federal Regulations, the Secretary of State Local Government Records Management Guidelines, and other legal authorities cited.

III. PROCEDURE

- A. The staff member completes and signs a "Request for Destruction of Obsolete Records" form, listing the date and description of each document to be destroyed. A sample form is attached to this policy as Attachment "A." The staff member submits the form to the Commission Clerk.
- B. The Commission Clerk checks the documents listed on the submitted form to confirm that each document is: (1) not required to be permanently retained, or (2) has been retained for the legally required period of time. The Commission Clerk also confirms that any applicable reproduction requirements (i.e., imaging, etc.) for each document are complete. The Commission Clerk also verifies that the documents are not relevant to a lawsuit, a claim, a subpoena, an investigation, a litigation hold, a Public Records Act request, an audit, or similar proceeding, which is in progress or which can reasonably be anticipated.

- C. The Commission Clerk submits the form to the Executive Officer, who reviews and signs the form and then returns the signed form to the Commission Clerk.
- D. After receiving the signed form from the Executive Officer, the Commission Clerk oversees the destruction of the obsolete documents, indicates the method of destruction on the form, signs the form and returns the original signed form to the Executive Officer.
- E. The Executive Officer will retain all original signed forms, requesting destruction of obsolete records for a minimum period of two (2) years.
- F. The Commission Clerk will permanently retain a master log of all destroyed obsolete documents which includes the titles or brief descriptions of the obsolete documents that were destroyed, the method of destruction and the date of destruction.

- C. Exceptions to Scheduled Destruction. Destruction of any record shall be postponed if that record is responsive to a subpoena, a litigation hold or other request for preservation, a Public Records Act request, an audit, or a claim filed against OC LAFCO. In addition, records that relate to any active litigation or potential litigation involving OC LAFCO shall be preserved until the litigation

is resolved. OC LAFCO personnel who become aware of a subpoena, claim, Public Records Act request, etc., that affects records under their control shall use their best efforts, by any reasonable means available to them, to preserve those records.
