Balance Sheet & Reserves Analysis – Pages 5-6

FY 2022-23 BUDGET OVERVIEW

This report provides a summary of the agency's budget and investment portfolio performance for the period of October 1, 2022 through December 31, 2022.¹ The Fiscal Year 2022-23 budget of approximately \$1.5 million supports the operations of the Commission and the resources needed to accomplish the work plan. During the second quarter, overall expenditures were approximately nine percent below the target level while continuing to meet the needs of the agency.

Revenues

The OC LAFCO funding apportionment collected from the County, 34 cities and 27 special districts totaling \$1,227,730 was at 100% at the end of second quarter. The agency also earns interest from its investment portfolio. At the end of the second quarter, the Commission's earnings totaled \$4,046, which is approximately 64% of the interest revenues anticipated for the fiscal year.

Another source of OC LAFCO revenue is application filing fees. These filing fees are not used for budgeting purposes as they are used to offset the costs associated with the processing of the respective applications. During the second quarter, \$12,500 in filing fees were received. These filing fees, along with application fees rolled over from other pending applications are shown in the financial overview as revenue within the Special Fund column. The Special Fund column in the chart on page 4 also includes an accounting of application expenses incurred during the second quarter of the 2022-23 fiscal year.

Expenditures

The General Fund expenditures as of December 31, 2022 are below the second quarter target level totaling \$637,399 or 41% of the total budget. The following table provides a comparison of the percentage of actual funds used and the target levels for the current fiscal year.²

Total Funds Used							
	1 st	2 nd	3 rd	4 th			
	Qtr.	Qtr.	Qtr.	Qtr.			
Target	25%	50%	75%	100%			
Actual	18%	41%	-	-			

Most expenditures during the second quarter are within target levels with expenses attributed to key operational costs, such as, salaries, benefits and office lease, and audit and accounting services. Line items that include expenses of consultant services, travel and registration and office equipment are above the target levels of the second quarter due to expenditures of these areas being due or expended at the beginning of the fiscal year. Hence, anticipated expenses within these line items are expected to balance within budgeted levels by fiscal year-end.

¹ All financial statements contained in this report are on an accrual accounting basis.

² Actual expenditures for the quarterly reporting are unaudited and subject to change.

Fiscal Year 2022-23 Quarterly Financial Report (Second Quarter)

Balances and Investment Report

The following table illustrates the balance of OC LAFCO's bank accounts as of December 31, 2022:

As of 09/30/22	Balance
770-Payroll Account	\$333,720
Wells Fargo Checking	\$171,312
Wells Fargo Savings	<u>\$213,503</u>
Total	\$718,535

To maximize the interest accrued on the agency's revenues, apportionment fees are deposited in the Local Agency Investment Fund (LAIF) and OC Fund accounts. Throughout the fiscal year, funds are transferred from the investment accounts to the bank accounts to cover the agency's operational expenses. Additionally, the agency earns investment revenue through the Section 115 Public Agencies Post-Employment Benefits Trust (Trust). The current balance of the Trust account at the end of the second quarter is \$52,973. This represents an overall loss of approximately \$9,027 from the agency's initial deposit of \$62,000 in 2021. In accordance with the Commission's investment policy, deposits are made to the Trust following the annual audit and normally during the second quarter. However, as the audited financial statements for the fiscal year ending June 30, 2022 did not represent a surplus, there was no deposit to the Trust in 2022. Staff will assess the opportunity to transfer to the Section 115 account at the end of the 2022-23 fiscal year.

The following table illustrates the balance of OC LAFCO's investment portfolio as of December 31, 2022.

As of 09/30/22	Balance
LAIF	\$633 <i>,</i> 300
OC Fund	\$502,044
PARS Trust	<u>\$ 52,973</u>
Total	\$1,188,317

SUBJECT: Legislative Quarterly Report (2nd Quarter)

BACKGROUND

The Legislature reconvened from winter recess on January 4 to continue the 2023 legislative session. As legislation is proposed in the Capitol, two fast-approaching deadlines of note include the submittal of bill requests to the Office of the Legislative Council (January 20) and the last day for bills to be introduced (February 17). Additional key deadlines are identified in the legislative calendar attached to this report.

This legislative report provides an introduction to the focus of the California Association of LAFCOs' (CALAFCO) annual omnibus bill and the recent appointments of members from the Southern Region LAFCOs to the association's legislative and advisory committees. With the recent call-to-order of the legislative session, currently, there are no proposed bills to highlight within this report. However, staff anticipates that the pace in Sacramento will pick up in the coming months and monitoring of the activity of LAFCO-interest will continue. An update on any activity will be presented in your next legislative report in February.

Omnibus Bill (Assembly Committee on Local Government)

The annual Omnibus Bill is the vehicle used by CALAFCO to introduce technical and non-substantive amendments to the Cortese-Knox-Hertzberg Local Government Reorganization Act of 2000 ("CKH Act"). The CALAFCO Legislative Committee, comprised of staff and Commissioners from LAFCOs across the State, jointly review and recommend potential amendments to the CKH Act. The amendments assist in clarifying and providing consistency in how the CKH Act is applied throughout the State. The following proposed amendments to the CKH Act have been submitted to the Assembly Local Government Committee for consideration:

- Delivery of Executed Resolution: Currently, the CKH Act requires that the Executive Officer provide a copy of resolution adopted by the Commission approving a change of organization to the affected local agencies by regular mail. The proposed amendment to the Act would allow the Executive Officer to transmit a copy of the resolution by a method preferred by the respective agency. Methods may include regular mail or electronic delivery by email or fax.
- Application to Initiate Proceedings: Currently, the CKH Act specifies the requirements for the Executive Officer to deem an application complete and issue a certificate of filing. The proposed amendment would clarify that one of the requirements includes an executed property tax exchange agreement.
- Obsolete Code Sections of CKH Act: Currently, the CKH Act includes code sections that only apply to redevelopment agencies. The proposed amendment would remove the code sections as the Governor dissolved redevelopment agencies in 2012.

CALAFCO Legislative and Advisory Committees

At the start of every legislative session, the CALAFCO Board reviews its legislative policies and appoints the members of the Legislative Committee. The committee's structure includes five Board Members, eight voting staff members, three legal counsel, and five alternate members. Additionally, the Board has also established a Legislative Advisory Committee consisting of LAFCO staff and legal counsel volunteers who are not voting or alternate members of the Legislative Committee. The CALAFCO Board appointments to these committees were confirmed at its meeting on December 9, 2022. The following Commissioners and staff members will represent the Southern Region for the 2023 legislative session:

Board Members:

Joe MacKenzie, San Diego LAFCO (voting member) Michael Kelley, Imperial LAFCO (alternate member)

Staff:

Carolyn Emery, Executive Officer – OC LAFCO (voting member)

Gary Thompson, Executive Officer – Riverside LAFCO (voting member) Adriana Romo, Deputy Executive Officer – Los Angeles LAFCO (alternate member) **Luis Tapia, Assistant Executive Officer – OC LAFCO (advisory committee)** Priscilla Mumpower Policy Analyst II – San Diego LAFCO (advisory committee)

RECOMMENDED ACTION

Staff recommends the Commission:

Appointment Authority and Process

In accordance with Government Code Section 56334, the term of office for each OC LAFCO Commissioner shall be four years, and there are no term limits. Pursuant to the OC LAFCO Bylaws, the term of office for each Commissioner begins on July 1st of the year appointed and expires June 30th of the final year of the term. The following sections describe the appointment process for each seat that will expire in 2023 or is currently vacant.

County Member Seats

County member seats are appointed annually at the discretion of the Chair of the Board of Supervisors (BOS) with final approval by the County BOS. The appointments will be considered by the BOS on January 24. New county members appointed will be administered the Oath of Office at the following Regular Commission Meeting. County members continuing for the term expiring June 30 will be administered the Oath of Office at the July 12, 2023 Commission meeting.

The City Selection Committee (comprised of 34 Orange County City Mayors) is responsible for appointing the Regular and Alternate City Members to OC LAFCO. The process is administered by the Orange County Clerk of the Board (COB) and is usually conducted during the Committee's bi-annual meetings in May and November. The City Selection Committee will conduct a special meeting in January to consider the appointment of the two city member seats that are currently vacant. Once the appointments have been made by the Committee, the Oath of Office will be administered at the following Regular Commission meeting.

SUBJECT: 2022-2025 Work Plan Mid-Year Update

BACKGROUND

On August 10, 2022, the Commission approved the 2022-2025 OC LAFCO Work Strategic Plan. The Work Plan identifies key objectives for the implementation of the agency's goals outlined in the three-year Strategic Plan. At mid-point of each fiscal year, staff provides a report to the Commission on the status of the objectives, as well as applications filed with the agency. This report provides an update on the activities of the work plan through the end of 2022.

DISCUSSION

Project Applications

In accordance with the Cortese-Knox-Hertzberg Local Government Reorganization Act of 2000 ("CKH Act"), OC LAFCO is required to efficiently process applications for changes of organization or reorganization. Because of statutory timelines, filed applications take precedence over other agency activities and projects. During the current fiscal year, staffing resources have been attributed to five filed applications that include a municipal service and sphere of influence review and proposed changes of organization. To date, two of those applications are missing one or more requirements as established by the CKH Act and OC LAFCO policy, two others have been completed, and the process for the remaining one is underway. The table shown on the next page provides additional details on those applications.

PROJECT APPLICATIONS							
Project	Status/Description	Comments					
Aera Property Annexation to the City of Brea	Status: Incomplete Proposed city annexation.	Application requirements are pending.					
Capistrano Bay Community Services District Activation of Latent Powers	Status: Incomplete Proposed activation of a Latent Power for flood control protection services.	Plan for Service and application requirements are pending.					
Orange County Sanitation District Annexations	Status: Complete Proposed annexation of properties located in the Cities of Anaheim, Villa Park and Yorba Linda.	Approved by the Commission on August 10, 2022.					
Orange County Water District Municipal Service and Sphere of Influence Review	Status: Underway Conducting of Municipal Service and Sphere of Influence Reviews	Application filed by OCWD to include preparation of comprehensive MSR and SOI reviews and assessment of potential consolidation of OCWD and MWDOC.					
Santa Ana River Reorganization – Areas 1, 1A, 2, and 3	Status: Complete Proposed reorganization of recreational and open space areas located along the Santa Ana River involving boundaries of the cities of Anaheim and Orange.	Approved by the Commission on October 10, 2022.					

In addition to the filed applications, during the first half of fiscal year 2022-2023, staff participated in discussions with the cities of Fountain Valley, Yorba Linda, and Westminster regarding the potential annexation of unincorporated areas within their respective spheres. Should the discussions progress to the filing of applications, the efforts and status will be added to the table above, and the Commission will be updated.

2022-2025 Strategic Plan Goals

The section of this report provides summaries of the progress of the Commission's multi-year work plan that has occurred since its approval in August 2022. The approved plan may also be referenced through **Attachment 1 (pages 4-7)** to this report.

Staff Development, Retention and Recruitment

During the current year strategic planning session, the Commission identified succession planning as key priority and established key objectives to support the development and retention of current OC LAFCO staff and effective recruitment of new employees when vacancies occur. Below are the accomplishments involving the objectives of this goal. Additional details for this area may also be found in the attached work plan.

- ✓ Completed an assessment of staff resources in line with current and anticipated projects and activities and conducted recruitment process for a Policy Analyst vacancy. The new hire will begin in January 2023.
- ✓ Cross-training of staff in budgeting and auditing areas is significantly underway.

Improve Municipal Service Review (MSR) Process for Future MSRs

At last year's strategic planning session, the Commission identified improving the process for the preparation of future MSRs as a key goal. Below are highlights of the related activities that have occurred to date for this area.

✓ MSR Schedule for Future MSRs

Since enactment of the MSR law in 2000, OC LAFCO has conducted MSRs regionally and in five-year cycles. To improve the process, the MSR schedule has been updated to reflect when the next MSR will occur for each agency/region. The schedule identifies the regions established by the Commission, the timeline for fourth cycle of MSRs, and the date of the agency's next MSR. The latter will be added to the schedule upon the completion of the agency/region's fourth cycle MSR. The MSR schedule is attached for reference (*Attachment 2*) and is available to the agencies and other interested parties on the OC LAFCO website.

✓ MSR Questionnaires

The collection of data from the agencies is a critical component of the MSR process. For that purpose, a questionnaire at the beginning of the process is distributed to each agency. Additionally, a survey was recently developed to receive feedback from the agencies on their experience during the process. Both instruments complete the objectives of the work plan and will be used to maintain the effective and efficient components of the process and enhance areas where applicable.

Promote Legislative Engagement

Commonly, the introduction of legislation of LAFCO interest occurs during each legislative session. Because of that, it is important for OC LAFCO to stay engaged on the legislative front and for staff to keep the Commission apprised of proposed legislation impacting the agency, and as appropriate, the County, cities and districts. To achieve this, over the past six months, staff has continued participation on the CALAFCO legislative and advisory committees. Additionally, quarterly reports have been provided to the Commission outlining the activities of the legislature and details on proposed bills. During the latter part of the current fiscal cycle, staff will continue to monitor legislation as it surfaces and work with the Chair to establish a legislative ad-hoc committee to develop and enhance OC LAFCO principles and guidelines as indicated in the work plan.

Optimize External Communication

Over the past six months, the following key tasks of the strategic plan were completed to support the agency's communication with local agencies and the public:

- Video FAQs capturing background on OC LAFCO's legislative and local missions, key projects and resources published on agency website.
- Second Edition of The Pulse published and distributed to local agencies and other interested parties.
- Preparation of OC LAFCO Media Kit to disseminate to OC legislators and other interested parties.

The effort to optimize the Commission's communications resources will be continued during the latter part of the fiscal cycle through meetings with legislators and the development of educational platforms to inform stakeholders of OC LAFCO's role, projects and key resources.

SUMMARY

During the second half of the current fiscal cycle, staff will continue to focus on the objectives of the Commission's multi-year strategic plan. It is expected that resources will largely be attributed to the processing of filed applications, continued preparation of the fourth cycle of MSRs and facilitating discussions on island annexations. The next update on the agency's work plan will be given during the year end fiscal report.

RECOMMENDED ACTION

Staff recommends the Commission:

1. Receive and file the FY 2022-2025 Work Plan Mid-Year Update.

Introduction

The Orange County Local Agency Formation Commission (OCLAFCO) on November 10, 2021 adopted the 2021 Strategic Plan. The process to prepare the 2021 plan included the following:

- Identification of the agency's strengths, weaknesses, opportunities and threats (S.W.O.T process)
- Adoption of new mission statement:
 "OC LAFCO serves Orange County cities, special districts, and the county to ensure effective and efficient delivery of municipal services."
- Established Three Year 2021-2024 Goals:
 - Optimize external communication.
 - Facilitate a continuing dialogue of South County governance options.
 - Refine and enhance the MSR process.

As of June 30, 2022, the goals and most objectives had been completed.

The Process

With an updated mission statement and substantial completion of the three-year goals and objectives identified in 2021, the Commission retained Kelly Associates Management Group (KAMG) to facilitate the process for the preparation of a new three-year plan 2022-2025. KAMG began the process by introducing the "Steps in the Strategic Planning Process" outlined as follows:

OCLAFCO

ATTACHMENT 1

Goal-Setting and Identification

The initial step in OC LAFCO's most recent strategic planning process included an update to the agency's S.W.O.T responses. This was done by KAMG circulating a S.W.O.T questionnaire to Commissioners and staff to assist in the preparation of the new strategic plan. The cumulative summary of the S.W.O.T exercise responses is appended to this document.

At the strategic planning workshop conducted on July 13, 2022 the S.W.O.T responses were displayed for review and discussion by OC LAFCO Commissioners and staff. During the meeting, each commissioner was asked to identify his/ her top five out of 24 goals of the agency over the next three years. Based on this exercise, the following five goals were identified (not in priority order):

- **1:** Succession Planning.
- 2: Further refine Municipal Service Reviews (MSRs) to develop an abbreviated document for future cycles.
- **3:** Legislative Engagement build coalitions with CALAFCO, CSAC, CSDA, cities, League of California Cities and LAFCOs statewide on policy issues of mutual interest.
- 4: Increased Communication with all interest groups on agenda for organizations such as OCCOG, ACCOC, Special Districts, Regional Chamber/business groups etc.
- 5: Commission can create more analytics or performance standards for quantifying MSRs.

2022-2025 Work Plan

As directed by the Commission, the five goals identified by the Board have been refined by staff and KAMG to allow for implementation of respective objectives to effectively accomplish each goal. As a note, goals #2 and #5 were combined for efficiency as both are relative to the Commission's goal to improve the MSR process.

The 2022-2025 Work Plan depicted in the following section clearly defines the agency's goals, objectives, and schedules over the next three years. As a note, the multi-year work plan may be amended, if warranted, by the Commission.

- **21.** Use social media wisely to the advantage of the commission.
- **22.** Continued use of technology as it continues to evolve.
- **23.** Seeking out the latest technology to utilize is good for staff and can expand beyond the basic service model of the organization.
- 24. Enhancing the website and messaging out to current and potential clients reminds people of what we do and how we can help them in their decision-making process by providing analytical data.

THREATS

Pitfalls looming in the environment that could throw up roadblocks or otherwise keep the OC LAFCO from achieving the agency's goals.

- **1.** Executive Office retirement or movement to another organization.
- 2. Lack of upward mobility with such a small team means that talented employees will ultimately get hired away elsewhere.
- Noncompetitive compensation means that we will continue to lose good employees to others in the market.
- **4.** If there is a lack in variation in the day to day work employees will get stagnant and seek out other job opportunities elsewhere.
- 5. Leadership and staffing changes leave a void in the overall organization.
- 6. South OC issue will be a politically challenging process due to varied interests.
- **7.** The commission is split on which direction the commission should proceed in.
- 8. Not every commissioner is using the communication plan.
- **9.** If agency input is not balanced, the perception of LAFCO's mission and authority may be misunderstood.
- **10.** Economic impacts on cities and special districts.
- **11.** Environmental threats on the delivery of municipal services.
- 12. Rising gas prices.
- **13.** State laws or mandates that omit LAFCOs from a local government reorganization process.

- 14. The major threat to the commission is any legislation that requires the commission to operate differently or being required to become involved with government agencies more broadly than currently required.
- **15.** Ill-informed entities.
- **16.** Misperception that LAFCO is a "rubber stamp" agency.
- 17. The perception agencies have of OC LAFCO.
- **18.** The perception of what an MSR is intended to provide for the Public, Local Agencies, and Legislature.
- **19.** Meeting space availability.
- 20. Fiscal instability.
- **21.** Remote work future pandemic.
- Cybersecurity and Information Technology

 Like many government entities today, OC
 LAFCO should protect the organization and its stakeholders from online vulnerability.
- 23. Misuse of social media.

8b Commission Discussion

TO: Local Agency Formation Commission of Orange County

FROM: Executive Officer Policy Analyst II

SUBJECT: OC LAFCO Professional Services Agreements Update and First Amendment to Agreement with Berkson Associates

BACKGROUND

OC LAFCO utilizes private sector firms to complement staff resources for a variety of professional services, such as accounting, auditing, legal counsel, project facilitation, and other services. Annually, the Commission receives an update on the current professional services agreements for these services. Some of the agreements are for services that are ongoing or as needed, while others are for one-time projects.

Attachment 1 to this report references agreements that have been approved by the Commission, the respective costs and a general description of the services provided. Also noted in the attachment for reference are the agreements that are within the signature authority of the Executive Officer. In accordance with OC LAFCO's "Accounting and Financial Procedures," the Commission delegates authority to the Executive Officer for: (1) the purchase of goods and materials for office use not exceeding \$10,000, and (2) the approval and execution of agreements not exceeding \$10,000.

Amendment to Professional Services Agreement with Berkson Associates

One of the items listed in Attachment 1 is an amendment of the current agreement with Berkson Associates to continue providing services to support the development of the fiscal indicators for the Southwest and West Municipal Service Review (MSR) regions. To date, consultant Richard Berkson has developed the indicators for each of the 13 cities, 11 special districts and one joint powers authority from interviews and data submitted by the agencies and to be included in the MSR. Mr. Berkson's continued expertise involving the fiscal data is needed in the preparation of the public review and final incorporation of this information into the fiscal indicators web-based program and in assisting staff with developing fiscal data for future MSRs. The amendment to the agreement with Berkson Associates proposes to expand the initial scope of the agreement to include these additional services.

Staff is recommending that the Commission approve an amendment to increase the current agreement amount of \$15,000 to \$22,500. The amendment to the agreement is referenced as Attachment 2 to this report. Additionally, the initial agreement with Berkson Associates is included for your reference as Attachment 3.

RECOMMENDED ACTION

Staff recommends the Commission:

- 1. Receive and file the annual OC LAFCO Professional Services Agreements Update.
- 2. Approve the First Amendment to OC LAFCO Professional Consultant Services Agreement with Berkson Associates and authorize the Executive Officer to execute the amendment.

Respectfully submitted,

CAROLYN EMER

14. Laws, Venue, and Attorneys' Fees.

This Agreement shall be interpreted in accordance with the laws of the State of California. If any action is brought to interpret or enforce any term of this Agreement, the action shall be brought in a state or federal court situated in the County of Orange, State of California.  SUBJECT:
 Adoption of a Resolution Approving the Third Amendment

to Memorandum of Agreement for the Position of Executive Officer with Carolyn Emery

BACKGROUND

Carolyn Emery ("Emery") has served as LAFCO Executive Officer since 2013. The Memorandum of Agreement employing Emery as Executive Officer has been amended from time to time. On July 11, 2018 the Commission and Emery entered into an Amended and Restated Memorandum of Agreement for the Position of LAFCO Executive Officer, followed by the First Amendment on June 12, 2019 and the current Second Amendment on November 10, 2021 ("Agreement"). Sections 4 and 5 of the Agreement provide that the salary provided the Executive Officer may be increased by Commission action.

DISCUSSION

Pursuant to the Agreement and LAFCO policy, on December 14, 2022 the Commission conducted Emery's annual performance evaluation. The Commission and Emery now desire to amend the Agreement in the form of a Third Amendment to Memorandum of Agreement to set 2022-23 compensation.

Government Code subsections 54956(b) and 54957.6(a) require that any final Commission action on executive compensation occur during the public portion of a regular meeting. The attached Resolution provides final approval of the Third Amendment to Memorandum of Agreement presented by the Commission's labor negotiator (its Chair) and accepted by Emery.

RECOMMENDED ACTION

It is recommended that the Commission:

- 1. Adopt Resolution No. CP 23-01 approving the Third Amendment to Memorandum of Agreement for the Position of LAFCO Executive Officer for Carolyn Emery; and
- 2. Authorize Commission Chair Douglass Davert to execute and the Commission Clerk to attest to these documents.

Respectfully submitted,

SCOTT C. SMITH LAFCO General Counsel
