Introduction

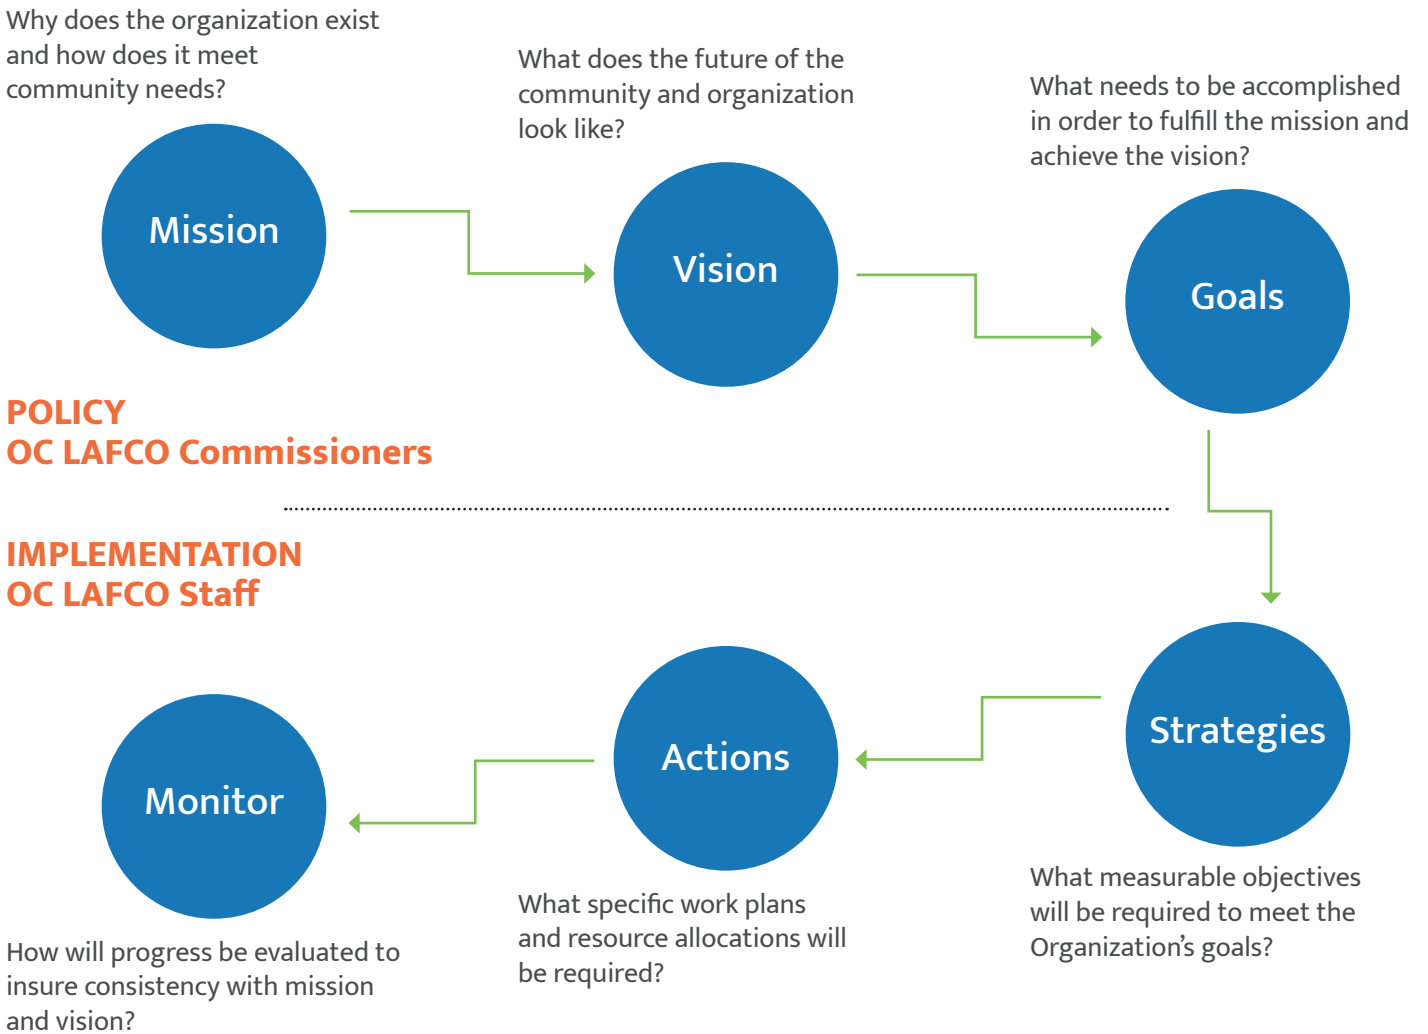

The Orange County Local Agency Formation Commission (OCLAFCO) on November 10, 2021 adopted the 2021 Strategic Plan. The process to prepare the 2021 plan included the following:

- Identification of the agency’s strengths, weaknesses, opportunities and threats (S.W.O.T process)
- Adoption of new mission statement:
“OC LAFCO serves Orange County cities, special districts, and the county to ensure effective and efficient delivery of municipal services.”
- Established Three Year 2021-2024 Goals:
 - ▣ Optimize external communication.
 - ▣ Facilitate a continuing dialogue of South County governance options.
 - ▣ Refine and enhance the MSR process.

As of June 30, 2022, the goals and most objectives had been completed.

The Process

With an updated mission statement and substantial completion of the three-year goals and objectives identified in 2021, the Commission retained Kelly Associates Management Group (KAMG) to facilitate the process for the preparation of a new three-year plan 2022-2025. KAMG began the process by introducing the “Steps in the Strategic Planning Process” outlined as follows:

Goal-Setting and Identification

The initial step in OC LAFCO's most recent strategic planning process included an update to the agency's S.W.O.T responses. This was done by KAMG circulating a S.W.O.T questionnaire to Commissioners and staff to assist in the preparation of the new strategic plan. The cumulative summary of the S.W.O.T exercise responses is appended to this document.

At the strategic planning workshop conducted on July 13, 2022 the S.W.O.T responses were displayed for review and discussion by OC LAFCO Commissioners and staff. During the meeting, each commissioner was asked to identify his/her top five out of 24 goals of the agency over the next three years. Based on this exercise, the following five goals were identified (not in priority order):

- 1: Succession Planning.
- 2: Further refine Municipal Service Reviews (MSRs) to develop an abbreviated document for future cycles.
- 3: Legislative Engagement – build coalitions with CALAFCO, CSAC, CSDA, cities, League of California Cities and LAFCOs statewide on policy issues of mutual interest.
- 4: Increased Communication with all interest groups – on agenda for organizations such as OCCOG, ACCOC, Special Districts, Regional Chamber/business groups etc.
- 5: Commission can create more analytics or performance standards for quantifying MSRs.

2022-2025 Work Plan

As directed by the Commission, the five goals identified by the Board have been refined by staff and KAMG to allow for implementation of respective objectives to effectively accomplish each goal. As a note, goals #2 and #5 were combined for efficiency as both are relative to the Commission's goal to improve the MSR process.

The 2022-2025 Work Plan depicted in the following section clearly defines the agency's goals, objectives, and schedules over the next three years. As a note, the multi-year work plan may be amended, if warranted, by the Commission.

THREATS

Pitfalls looming in the environment that could throw up roadblocks or otherwise keep the OC LAFCO from achieving the agency's goals.

1. Executive Office retirement or movement to another organization.
2. Lack of upward mobility with such a small team means that talented employees will ultimately get hired away elsewhere.
3. Noncompetitive compensation means that we will continue to lose good employees to others in the market.
4. If there is a lack in variation in the day to day work employees will get stagnant and seek out other job opportunities elsewhere.
5. Leadership and staffing changes leave a void in the overall organization.
6. South OC issue will be a politically challenging process due to varied interests.
7. The commission is split on which direction the commission should proceed in.
8. Not every commissioner is using the communication plan.
9. If agency input is not balanced, the perception of LAFCO's mission and authority may be misunderstood.
10. Economic impacts on cities and special districts.
11. Environmental threats on the delivery of municipal services.
12. Rising gas prices.
13. State laws or mandates that omit LAFCOs from a local government reorganization process.
14. The major threat to the commission is any legislation that requires the commission to operate differently or being required to become involved with government agencies more broadly than currently required.
15. Ill-informed entities.
16. Misperception that LAFCO is a "rubber stamp" agency.
17. The perception agencies have of OC LAFCO.
18. The perception of what an MSR is intended to provide for the Public, Local Agencies, and Legislature.
19. Meeting space availability.
20. Fiscal instability.
21. Remote work – future pandemic.
22. Cybersecurity and Information Technology – Like many government entities today, OC LAFCO should protect the organization – and its stakeholders – from online vulnerability.
23. Misuse of social media.
