

## **Orange County Local Agency Formation Commission California Public Records Act Policy**

### **I. POLICY**

This policy sets forth the procedures of the Orange County Local Agency Formation Commission (OC LAFCO) for handling California Public Records Act (“CPRA”) requests pursuant to Government Code Section 7920.000 et seq., and all existing laws and regulations pertaining to disclosure of public records. If any provision of this policy conflicts with current state or federal law, the law shall take precedence.

It shall be the policy of OC LAFCO to allow members of the public to inspect and/or receive copies of any records maintained in the Commission’s office or OC LAFCO-related records housed in the Orange County Records Center, unless such records are restricted by federal or state law, or other regulations.

### **II. LEGAL AUTHORITY**

This policy is authorized under Government Code Section 7922.630 which provides: “Every agency may adopt regulations stating the procedures to be followed when making its records available in accordance with this section.” The California Public Records Act (Government Code Section 7920.000, et seq.) and the California Constitution (Cal. Const. Art. I, Code Section 3, subd. (b).) gives every member of the public the right to inspect and/or receive copies of public records, for the direct cost of duplication or a statutory fee, except where access is otherwise made exempt by law.

### **III. DEFINITIONS**

For purposes of this policy and procedure, “public records” shall include any writing containing information related to the conduct of the public’s business that is prepared, owned, used, or retained by the Commission, regardless of physical form or characteristics. (Government Code Section 7922.530 subd. (a).)

“Writing” means handwriting, typewriting, printing, photostating, photographing, photocopying, transmitting by electronic mail or facsimile, and every other means of recording upon any tangible thing any form of communication or representation, including letters, words, pictures, sounds, or symbols, or combination thereof, and any record thereby created, regardless of the manner in which the record has been stored. (Government Code Section 7922.540 subd. (a).)

#### IV. PROCEDURES

- A. OC LAFCO encourages members of the public to submit CPRA requests to the Commission's office during normal business hours when the Commission offices are open. Receiving requests during normal business hours helps Commission staff avoid any delays in responding to requests for inspection and/or copies of OC LAFCO records. This procedure is intended to further the CPRA provision that public records must be "open to inspection at all times during the office hours of the state or local agency..." and the provision that allows OC LAFCO to "adopt requirements for itself that allow for faster, more efficient, or greater access to records that prescribed by the minimum standards set forth in [the Public Records Act]." (Government Code Section 7922.525 through Section 7922.540(b).) Notwithstanding the foregoing, OC LAFCO accepts CPRA requests that are sent to the Commission's office after normal business hours, during weekends, and holidays. However, OC LAFCO will deem such requests as received on the next business day that the Commission's office is open for business.
- B. OC LAFCO encourages members of the public to submit all CPRA requests in writing to the Commission's office, preferably using the Public Record Request form attached as Exhibit "A" to this policy. Written requests reduce any misunderstandings between the requester and OC LAFCO staff, which allows OC LAFCO staff to respond to CPRA requests in a timely manner and with greater efficiency. However, OC LAFCO will not deny a request for records solely because it is not submitted in writing or was not submitted on OC LAFCO's Public Record Request form.
- C. The requester should, in writing, reasonably describe an identifiable record or records being sought. The request must be focused, specific, and reasonably clear, to enable OC LAFCO to identify the particular record or records. If the request appears unclear or is overly broad, staff will make a reasonable effort to obtain additional clarifying information from the requester that will help identify the record or records. Pursuant to Government Code Section 7922.600 and Section 7922.605, staff shall do all of the following, to the extent reasonable under the circumstances:
  - 1. Assist the member of the public to identify records and information that are responsive to the request or to the purpose of the request, if stated.
  - 2. Describe the information technology and physical location in which the records exist.
  - 3. Provide suggestions for overcoming any practical basis for denying access to the records or information sought.
- D. Whenever possible, staff will promptly make available disclosable public records. If any document responding to a CPRA request is posted on any OC LAFCO-related websites, staff will provide the requestor with a link or other direction to the online location of the document, pursuant Government Code Section 7922.545, subdivision (a).

- E. For requests for records in electronic format, OC LAFCO will make electronic records available in their existing format, pursuant to the requirements and conditions of Government Code Section 7922.570 through Section 7922.580.
- F. Within ten (10) days of OC LAFCO's date of receipt of the original CPRA request (pursuant to Section IV(A) of this Policy), the Executive Officer will provide a written determination as follows:
  - 1. If the requested records are made promptly available after the request is received, the Executive Officer's written response will document staff's determination that the records are disclosable and are provided to the requester.
  - 2. If the request presents "unusual circumstances" as described in Government Code Section 7922.535 subdivision (b), the Commission may take an extension of fourteen (14) days to provide a determination on the request. Pursuant to Government Code Section 7922.535, subdivision (c), "unusual circumstances" means the following, but only to the extent reasonably necessary to properly process the request:
    - a. The need to search for and collect the requested records from field facilities or other establishments that are separated from the office processing the request.
    - b. The need to search for, collect, and appropriately examine a voluminous amount of separate and distinct records that are demanded in a single request.
    - c. The need for consultation, which shall be conducted with all practicable speed, with another agency having substantial interest in the determination of the request, or among two or more components of the Commission having substantial subject matter interest therein.
    - d. The need to compile data, to write programming language or a computer program, or to construct a computer report to extract data.

The Executive Officer's written response will explain the "unusual circumstances" that apply to the request and will provide the estimated date when the determination on the request will be provided.

- 3. If the requested records are exempt from disclosure under the Public Records Act, other state law, or federal law, the response shall provide the specific exemptions and provide the name and title or position of the person(s) responsible for withholding the exempt records.
- 4. If the requested records are disclosable but cannot be made "promptly available" because additional time is required to complete the request, the response shall notify the requester of the estimated date when the materials will be made

available.

- G. For requests to inspect records, staff members will assist requestors to schedule a date and time for inspection during regular business hours when the Commission offices are open. Original records may NOT be taken from OC LAFCO offices or another repository. Some historical OC LAFCO records are stored in the Orange County Records Center through an agreement between OC LAFCO and the Orange County Records Center. All OC LAFCO records within the Orange County Records Center remain under the ownership of OC LAFCO. As custodian for these documents, OC LAFCO shall work with Orange County Records Center, when necessary, to retrieve any documents that respond to CPRA requests.
- H. OC LAFCO shall produce requested copies upon payment of the copy fee specified in the OC LAFCO fee schedule or upon payment of a statutory fee if applicable.
